

Dreams On Wings

Dear Dreams On Wings Volunteer,

Thank you for volunteering to assist us in the ninth annual Dreams On Wings program. The donation of your time and resources will help children and their families continue their fight against serious illnesses. Our goal is simple—to share the thrill of flying with these families and to give them an opportunity to take a break from their daily struggle.

Safety is the number one concern for everyone involved. Therefore we feel it is necessary to observe some additional precautions.

- 1. No children under 14 years of age can volunteer.*
- 2. Volunteers must be 21 to be admitted to the flight line.*

Any questions or comments, please feel free to contact our volunteer coordinator, Jean Moore, at 205-631-2844, or bjeagle@aol.c

Attached you will find a registration form for the event. Please complete it and send it to the address listed. If for some reason your plans change and you are unable to participate, please contact us as soon as possible so we can adjust our plans accordingly. If you have a special skill that might help us, please list that so that we can use your talent to its fullest.

We plan on starting the flying at approximately 9 AM on Saturday, May 1st. There will be a volunteer meeting approximately an hour prior to the event. Please plan your schedule so you can attend that meeting.

Once again, thank you. If you have any questions, please contact us at info@dreamsonwings.org, or call us at (205) 349-5466 (Alabama) or (662) 328-3533 (Mississippi).

“Giving children faced with serious illness the experience and joy of flight which pilots feel privileged to share”
